PROFESSIONAL SUMMARY

Computer Science student at Arab Open University with a strong background in Graphic Design and hands-on experience developing modern, responsive web interfaces. Skilled in JavaScript, React.js, HTML5, CSS3, Tailwind CSS, Node.js, Express.js, and MongoDB. Combines technical development skills with 5+ years of Graphic Design experience to create visually engaging and user-focused digital products. Currently focused on advancing Full-Stack Web Development skills and building scalable web applications.

TECHNICAL SKILLS

Programming: JavaScript, HTML5, CSS3

Frontend: React.js, Tailwind CSS, Responsive Web Design, UI Development, Component-Based Architecture

Backend: Node.js, Express.js, REST API Development, API Integration

Database: MongoDB

Tools: Git, GitHub, Replit, Blackbox AI

Design & UI/UX: Figma, Adobe Photoshop, Adobe Illustrator, UI/UX Design, Branding, Visual Identity

Other: Full-Stack Web Development, Web Application Development, E-Commerce Development, AI-Assisted Development

PROJECTS

BRGHR — Restaurant Ordering Website

React.js | *JavaScript* | *Tailwind CSS* | *Responsive Web Design*

- Designed and developed a responsive restaurant website with a modern, mobile-friendly user interface.
- Built an organized digital menu and intuitive ordering experience.
- Developed reusable UI components and responsive layouts for desktop and mobile devices.
- Structured the project for future integration of online ordering, payment processing, and administrative features.
- Planned integrations with Visa/Mastercard, InstaPay, Paymob, and WhatsApp notifications.

3D & 2D Printing E-Commerce Platform

Web Development | *E-Commerce* | *File Upload* | *Dynamic Pricing*

- Designed a web platform concept for customers to upload 3D and 2D printing files.
- Designed a dynamic pricing workflow based on printing type, quantity, and dimensions.
- Planned an end-to-end workflow covering file upload, price calculation, checkout, and payment.
- Designed support for multiple payment methods including Visa, Cash, InstaPay, and Vodafone Cash.

Personal Portfolio Website

React.js | *Tailwind CSS* | *Responsive Web Design* | *UI/UX*

- Designed and developed a personal portfolio website to showcase software development and graphic design projects.
- Built responsive sections for projects, certificates, skills, and professional experience.
- Implemented a modern UI focused on usability, visual hierarchy, and responsive behavior.

Perfume E-Commerce Website

Web Development | *E-Commerce UI* | *UI/UX* | *Responsive Design*

- Designed a modern e-commerce interface for an online perfume store.
- Created product-focused layouts optimized for browsing and presentation.
- Developed a premium visual system using typography, color hierarchy, and modern UI components.
- Focused on responsive design across desktop and mobile devices.

PROFESSIONAL EXPERIENCE

Graphic Designer — Graphic Design Company (Remote)

5+ Years of Experience

- Designed logos, social media content, digital graphics, and branding materials.
- Created visual identities and marketing assets for different projects and clients.
- Used Adobe Photoshop and Adobe Illustrator to produce professional digital designs.
- Translated client requirements into creative and effective visual solutions.
- Managed multiple design tasks while working remotely and meeting project requirements.

EDUCATION

Arab Open University

Computer Science / Information Systems — Current Student

Relevant Coursework: EL111, GT101, MT101, TR301N, M110, MST129

CERTIFICATIONS & LANGUAGES

Certification: Cisco Networking Academy — Introduction to IoT and Digital Transformation

Languages: Arabic — Native | English — B1
